

MAULDEN LOWER SCHOOL - CHILDRENS LETTER

Dear New Friends,

Welcome to our school. You will find it is a very cheerful and happy place to learn in. You'll make friends here straight away. We are all kind and work together as a team.

All of our teachers are kind and helpful and they work hard to make our lessons as exciting as possible. We have lots of different lessons like Numeracy, Literacy, Science, History, Geography, ICT, PE, Art and Music. We go on lots of exciting trips to help us with our learning. In Yr4 you even get the chance to go to France with your class and teachers.

We have lots of equipment to use at breaktimes. Our Lunchtime Assistants are very helpful in the dinner hall and playground. We can have a variety of food for school dinners and sometimes get fish and chips on a Friday.

We have a huge top field and play a good range of sports. We play tag rugby, rounders, uni-hoc, and in the summer we even get to swim in our own swimming pool. We also have lots of sports clubs to join. We have an exciting sports day with lollies at the end to celebrate!!

We have fundraising events like the Summer Fayre, sponsored bounce and non-uniform days. Our school council work hard to improve our school and we all give them ideas. We hope you enjoy our school as much as we do, we are sure you will.

Best wishes
Year 4
