

## **SPRING LEARNING**

### **What we are learning this half term:**

#### **Literacy:**

We will be looking at key words, reading them and attempting to write them. We will be constructing sentences, leaving finger spaces between words and using full stops. We will also be attempting to use storybook language and writing invitations.

#### **Numeracy:**

In Numeracy we will be continuing our work on counting and number formation. We will be partitioning sets and adding them together. We will also be using positional language to describe where objects are.

#### **PSHE:**

We are going to be discussing what it is to be a friend, how we can help our friends and vice versa. We are also going to be thinking about what is meant by bullying, why it is wrong and what we should do if it ever happened.

#### **Knowledge and understanding of the World :**

We are going to be enjoying the topic "People Who Help Us" and having visits from paramedics, lollipop ladies, police officers, nurses and hopefully firefighters. We will also be continuing our work on senses as we didn't finish this last term. In ICT we will be working talking books, using a tape recorder to tape interviews and using a programmable toy.

#### **Creative Development:**

In art we will be imitating the work of Georges Seurat. We will also be working with thin and thick paint and paintbrushes and we will be painting with different textured paint. In Music we will be focusing on high and low pitch, we will be making our voices high and low and also we will be playing instruments accordingly.

#### **Physical Development:**

We will be starting gymnastics this half term, we will be working on awareness of the space around us and moving safely and sensibly between

Cont...

each other. We will also be learning how to put the mats and benches in and out safely.

We would also like to take the opportunity to say a big thank you for all our lovely Christmas presents and to wish you all a happy new year.
