The year 3's tournament was non competitive and Maulden won 2, drew, 2 and lost 1.

The Year 4's tournament was competitive and Maulden won the tournament, winning 4 games and losing 1. Well done to everyone that took part.

Maulden are hosting their Early Years / KS1 football tournament which is taking place this weekend - everyone is welcome to come along and support our teams.

## Sponsored Bounce

The sponsored bounce is taking place next Friday, 28<sup>th</sup> May.

Please can your child bring the form with them on the day as we need them for counting?

## Reminders

- A reminder that cycles or scooters should not, as a health & safety issue, be used in the playground.
- Year 4 parents - If you would like to order one of the Kingswood photographs, please return the form and money by Friday 21<sup>st</sup> May.

## Swimming Pool

The school swimming pool sadly is in need of extensive repair/refurbishment (it was acquired second hand 15 years ago) coupled with ever increasing running costs and balanced against minimal guaranteed use, a decision has been made by the Governing Body to remove it.

In future we hope to utilise swimming lessons for KS2 pupils at Flitwick Leisure centre subsidised through our partnership with Redborne Sports College. This will also allow us to reclaim and develop a larger outside area for whole school use.

## Tesco and Sainsbury Vouchers

We are still collecting Tesco and Sainsbury vouchers. To date we have received 13,000 Tesco vouchers. To enable us to count them ready for collection, please send them in to the school office by the following dates:

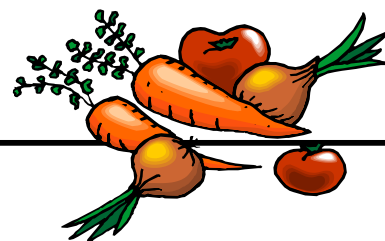

Tesco - Monday 14<sup>th</sup> June

Sainsbury - Monday 21<sup>st</sup> June

## Sun Cream

This week we have heard rumours that we are going to have a glorious hot summer!! If this turns out to be the case we advise that the children wear sun cream. One good application in the morning should be sufficient for the day, however if you are sending a sun cream top up into school, please make sure it is clearly marked with your child's name and that they are able to apply it themselves.
